MEDWAY ATHLETIC ENHANCEMENT CAMPAIGN

A Community Project of the Ilderton & District Lions Club

**MEDWAY ATHLETIC
ENHANCEMENT CAMPAIGN**

The Project

Our Broad Objective is to create a centre of activity for all the community to access.

This centre will provide facilities for track and field, football, soccer, rugby, field hockey, walking and running.

It will enable our children/grandchildren to engage in and learn about living a healthier lifestyle.

And will advance the provision of physical activity for those with physical and developmental challenges

Phase One

- Replace cinder track with an all-weather synthetic surface
- Create new high jump, long jump, triple jump and pole vault areas
- Build a water jump for the steeple chase event
- Refurbish the football field; installing better soil, drainage and sprinkler system
- Install a new electronic scoreboard

How You Can Help

- Families- donate through one of our programs such as the recognition wall. Indoor wall (minimum \$2500 donation); outdoor wall (minimum \$500 donation)
- Corporations- donations gratefully accepted.

Many of our donors at the open house... that they were profitable and that, when we returned the call, they were looking healthy!

There wasn't a lot of money raised at a single event but we're looking forward to having the next!
